

any disputed amount (up to \$50 per transaction) if the billing entity fails to follow the billing and collection procedures prescribed by §308.7 of this rule.

(ii) A billing entity that is a common carrier may comply with §308.7(n)(1)(i) by, within 60 days after the effective date of these regulations, mailing or delivering the billing rights statement to all of its customers and, thereafter, mailing or delivering the billing rights statement at least once per calendar year, at intervals of not less than 6 months nor more than 18 months, to all of its customers.

(2) *Alternative summary statement.* As an alternative to §308.7(n)(1), a billing entity may mail or deliver, on or with each billing statement, a statement that sets forth the procedure that a customer must follow to notify the billing entity of a billing error. The statement shall also disclose the customer's right to withhold payment of any disputed amount, and that any action to collect any disputed amount will be suspended, pending completion of the billing review.

(3) *General disclosure requirements.* (i) The disclosures required by §308.7(n)(1) shall be made clearly and conspicuously on a separate statement that the customer may keep.

(ii) The disclosures required by §308.7(n)(2) shall be made clearly and conspicuously and may be made on a separate statement or on the customer's billing statement. If any of the disclosures are provided on the back of the billing statement, the billing entity shall include a reference to those disclosures on the front of the statement.

(iii) At the billing entity's option, additional information or explanations may be supplied with the disclosures required by §308.7(n), but none shall be stated, utilized, or placed so as to mislead or confuse the customer or contradict, obscure, or detract attention from the information required to be disclosed. The disclosures required by §308.7(n) shall appear separately and above any other disclosures.

(o) *Multiple billing entities.* If a telephone-billed purchase involves more than one billing entity, only one set of disclosures need be given, and the bill-

ing entities shall agree among themselves which billing entity must comply with the requirements that this regulation imposes on any or all of them. The billing entity designated to receive and respond to billing errors shall remain the only billing entity responsible for complying with the terms of §308.7(d). If a billing entity other than the one designated to receive and respond to billing errors receives notice of a billing error as described in §308.7(b), that billing entity shall either: (1) Promptly transmit to the customer the name, mailing address, and business telephone number of the billing entity designated to receive and respond to billing errors; or (2) transmit the billing error notice within fifteen (15) days to the billing entity designated to receive and respond to billing errors. The time requirements in §308.7(d) shall not begin to run until the billing entity designated to receive and respond to billing errors receives notice of the billing error, either from the customer or from the billing entity to whom the customer transmitted the notice.

(p) *Multiple customers.* If there is more than one customer involved in a telephone-billed purchase, the disclosures may be made to any customer who is primarily liable on the account.

§308.8 Severability.

The provisions of this rule are separate and severable from one another. If any provision is stayed or determined to be invalid, it is the Commission's intention that the remaining provisions shall continue in effect.

§308.9 Rulemaking review.

No later than four years after the effective date of this Rule, the Commission shall initiate a rulemaking review proceeding to evaluate the operation of the rule.
